RAIN STORIES

Del contraste entre el skyline urbano y la amplitud de los paisajes surge la colección M&P 24. Sus rojos vibrantes y azules acuáticos, rosas empolvados y verdes esmeralda despertarán tus sentidos. Sus formas geométricas, estampados luminosos y tonos metalizados te llenarán de serenidad y alegría. Sus tejidos reciclados y sus transparencias harán que tu mirada no tenga fin. Con la novedad de una montura ultraligera y otra extremadamente resistente, casi irrompible por la acción del viento, nuestros paraguas alcanzan un nivel de tecnología superior. Te presentamos, en definitiva, la armonía de una nueva colección que nace de la fusión y del contraste entre dos mundos: diseño y resistencia, protección y estilo, naturaleza y tecnología.

The M&P 24 Collection is born from the contrast between the urban skyline and the vast landscapes. Its vibrant reds, aquatic blues, powdery pinks, and emerald greens will awaken your senses and its geometric shapes, luminous prints, and metallic tones will make you feel serenity and joy. The recycled fabrics and transparencies will make your glance endless. With the ultra-light and extremely resistant new windproof frame, which is almost unbreakable, our umbrellas have achieved a superior level of technology. In short, we present the harmony of a new collection born from the fusion and contrast between two worlds: design and resistance, protection and style, nature, and technology.
